Chapter 1 by Story Wars

Past the woods, the oceans. For days, years she waited...

I told her i'd be back for her, that we could live together.

Her name is Angelique. Some say she's a Pedradew just like me, but others say she comes from another world called earth. Her bright blue eyes once told me she loved me, of course that was before the tragedy. Today, i'm going back to find her. I don't know what i will find but i'm hoping to find my Angelique.

The snow took over the world, and the trees died. I walk for six days until i reach the mountain. The same one where i left her, where i told her i'd be back.

When i reach the top I see her. I see Angelique, laying on the snow. I rush towards her "Angelique!" i yell "It's me, Vark."

Her eyes turn towards me and stare at me "I've waited for you." she mumbles "I did."

Tears stream down her face as her hand touches mine.

"You told me to wait. I did."

I feel horrible now "I'm sorry, i didn't know. I tried my best to meet you back here."

She's ill and her eyes start to close. She still looks the same, black hair and stunning blue eyes.

Us, Pedradews can live up to 1000 years, unlike humans we don't get tired.

"I" she says "I love"

"It's okay" i whisper "I'm sorry"

She takes a last look at me
